ST. VINCENT DE PAUL CATHOLIC CHURCH
2016-2017 CONFIRMATION SERVICE HOURS

CONFIRMANDI'S NAME: _____

An important element of being a Catholic Christian is helping others. St. Vincent is asking you to volunteer a minimum of twenty (20) hours of community service to emphasize the importance Jesus Christ place on helping one another. You are to help as many people as possible, not all 20 hours can be done for just one person or your parents. On the lines below, please list the type of work you have done, the length of time you volunteered and the signature of the person you helped. Additional forms will be available on the Parish and School websites. Please have your volunteers hours completed and this form turned in to the Religious Education Office by Sunday, March 26, 2017.
